## TECHNICAL SKILLS

- **Programming Languages**
  - Java
  - Python
  - C++
- **Frontend Development**
  - React Js
  - Tailwind CSS
- **Backend Development**
  - Express Js
  - Node js
- **Android Development**
  - React Native
- **Database**
  - SQL
  - Mongo DB
  - Firebase
- **version control**
  - Git

I am an undergraduate student in Software Engineering, fueled by a passion for creating innovative programs that enhance organizational efficiency. With a proven knack for leading, motivating, and educating teams, I excel in effective project management. Known for my hardworking nature and enthusiasm, I approach tasks with self-motivation. My excellent interpersonal and communication skills make collaboration and teamwork second nature. As an aspiring intern, I am eager to apply my skills and contribute to the success of your organization.

## EXPERIENCE

- Applied my skills in web development to contribute significantly to the success of various freelance projects. Played a key role in project execution, ensuring high-quality development work and timely deliveries. Collaborated effectively with diverse team members, contributing to the overall success of these initiatives and consistently achieving high levels of client satisfaction

## PROJECTS

### ● Academic Projects

- Codewave - Dynamic virtual lab environment with real-time collaboration, built using the MERN stack and Zegocloud API.
- KeepIT - mobile app facilitating peer-to-peer book transactions, enhancing user experience in buying and selling pre-owned books - Using React Native with MongoDB.
- Restaurant Management System - Using MERN Stack.
- Mobile application for Procurement Management System- Using React Native with MongoDB.

## PROFESSIONAL SKILLS

- Leadership
- Adaptability
- Teamwork
- Time management
- Communication skills

## INTERESTED IN

- Full-Stack Development
- Mobile App Development
- Machine Learning

## LANGUAGES

- Sinhala
- English

## Personal Projects

- A streamlined web app for Mr. King Cafe - enabling user-friendly menu exploration, secure purchases via Stripe, and efficient admin control - Using MERN Stack..
- Student Management System - Using MERN Stack.
- Personal Portfolio - Using React.js.

## EDUCATION

### Bsc.(Special) in Information Technology , specializing in Software Engineering

Current academic year : 3rd year

### G.C.E (A/L) @ Wadduwa Central College

**2020**

**B-** Science For Technology

**B-** Bio System Technology

**C-** Information And Communication Technology

**Z-core - 1.1496**

## EXTRA-CURRICULAR ACTIVITIES

### Participation-Tissa Central College Kaluthara

- Member of the school prefect board (2014 - 2016)
- Member of the school volleyball team (2014 - 2016)

## CERTIFICATIONS

- Full Stack Developer Program - A Certifications offered by UOM.
- Java Programming course - A certification offered by Test Automation University..
- Android Application Development - A certification offered by Great Learning Academy.
- Java Algorithms A certification offered Great Learning Academy .
